Might Have Been Much Worse.

Miss Britt and a young man whose name we did not learn were taking a drive at the Alliance picnic last week when by some means one of the lines fell to the ground. The young man jumped out of the buggy to secure the line when the team became frightened and ran away with Miss Britt in the buggy. For a time it seemed almost certain death for the young lady as the team was frantic and ran madly through the picnic grounds barely escaping contact with several teams that were hitched to the trees. Fortunately an overhanging branch caught the top of the buggy and top, seat and lady were precipitated to the ground, the lady escaping unharmed although badly frightened. Her escape seemed almost miraculous and a great sigh of relief was manifested when she exclaimed to her mother, "Ma I am not hurt—only badly frightened," and we observed several moist eyes the result probably of the high wind prevailing that day. We didn't stop to inquire what became of the team.

—The Alliance picnic at Gibbs' grove last Tuesday was fairly well attended and it was a most enjoyable occasion. Candidate for Lieutenant Governor, A. C. Shinn and Mrs. Vickery, of Wichita, were the principal speakers. We believe in these gatherings and always make it a point to attend them when we can. Farmers, as a rule, do not take recreation enough and we think that more of such gatherings would prove beneficial. The social features of the Alliance we most heartily approve.

—C. B. Adams was down from Sharon Springs last Saturday.

—Died—At the residence of J. K. Walker, on the Saline, Wednesday, October 29, 1890, I. E. Bushman, in the 64th year of his age. Mr. Bushman has been a resident of Trego county since 1880 and was well and favorably known here. In 1883 he was elected to the office of register of deeds of this county, which office he filled very acceptably. He leaves a wife and one daughter, Mrs. W. H. Dorns.

—On one of the banners at the Alliance picnic last Tuesday was inscribed these words: "Equal rights for all." Surely no fault can be found with that kind of doctrine. The Alliance has no right to demand more than that and ought to be satisfied with no less. What a pleasant world this would be if all, politically, socially and from a business standpoint would adopt that motto and adhere to it.

—Chas. H. Gibbs and family left this week for their new home in Wyoming, Ills. Mrs. Gibbs and the boys going Monday and Mr. Gibbs following with his car on Tuesday. In the removal of Mr. Gibbs, Wa-Keeney and Trego county loses one of her oldest and most valued citizens. Coming here with the first of the hardy pioneers who established a settlement at this point, he has ever since been prominently identified with every interest of our people. For several years he conducted a stock ranch on the Saline north east of town when he was called by his admirers to the position of county treasurer of this county which position he filled for two terms with rare ability and credit. We can assure the people of Wyoming that they have gained what we have lost—a family that is a credit to any community.

To Her Parents.

Little Florence has gone and left us.
Gone to Heaven so fair and bright,
How we miss her in the daytime,
How we miss her in the night.

Hark I hear our Florence speaking,
List to what she has to say,
"I have passed the gates of heaven,
And am now in perfect day."

I am watching for you parents,
At the gates of perfect bliss,
I am waiting to receive you,
With a smile and with a kiss.

Little brother I will watch you,
When you first start out to play,
And will guide you up to heaven,
In the straight and narrow way.

Oh my parents: so be ready,
When the Savior bids you come,
For to meet your little daughter,
Who is safe in Jesus' home."
